- 9/24 & 9/25 – Meet at the field. We will be practicing outside with the band. Pickup will be at 8 p.m. at the same place as drop off. We practice in all types of weather so dress accordingly, please. My number is 248-425-3733 if you need to reach me.
- The school is located at 6000 Bogie Lake Road in Commerce Township. Pickup for the 10/4 game will be at the south end zone by the fence entrance to the field near the flag pole. We will remain on the field just inside the fence. You will have to come to me to pickup your student. No one will be dismissed on their own. Make sure you are there following THE FIRST QUARTER PLEASE!!

What to Bring:

1. Your baton. If you can twirl multiple batons, please bring those for sideline twirling. If you don't have a baton, we'll bring one for you!
2. Wear clothing appropriate for the weather for outside practice. We will be outside under the lights with the band.
3. NOTE – if the turf field is used by a sports team on our PRACTICE nights, we will be on the other band practice field which is the parking lot on the north side of the school. You'll see us. There are almost 200 kids in marching band!!

- For the game, wear a costume of your choice with a sweat suit over it and then a coat for the weather. We will wear the costume for the parade and pre-game and then add our layers for sideline twirling depending on the weather. Don't have a costume?! No problem. Wear a t-shirt and shorts/yoga pants with tennis shoes. It's just fine!! But again, dress in layers, we want everyone to stay warm if the weather is chilly!!
